## ***Sharing - Caring - Community - Connection***

*A monthly networking event for health & wellness practitioners & coaches, product & service providers who work with people, pets & animals. Please join us as we would love to promote you & your practice or business. This is a casual & easy going "networking" group & is a great way to help others get to know you & what you do. We would like an opportunity to get to know you better so we can send some referrals your way. Please bring your business cards, information on programs, workshops & classes you offer, brochures or flyers.*

### **AGENDA & STRUCTURE FOR MEETING:**

**6-630pm: Light refreshments, coffee, tea and water available.**

**6:30pm: Introduction to the evening**

**Networking & sharing information: Everyone will have about 2-3 minutes to speak.**

**1 - 2 speakers: 15 minute presentations on subjects related to health and**

**wellness & topics of interest to health & wellness practitioners & coaches. Individuals who have purchased a 6 or 12 month membership have the first opportunity to offer a 10-15 minute presentation.**

**Please bring your business cards, brochures and flyers, as you will find that other guests in your group often want to know more about you than you have time to discuss- please exchange business cards so they may connect with you after the meeting.**

**This is a casual, comfortable, learning and collaborative environment, where you can promote yourself and others. If you are speaking with someone and you have met someone else who could help them out please feel free to introduce them to each other. The evening is fairly fast paced & ends at 9pm. You are welcome to connect with others following the meeting.**

**This event is an opportunity to share your information as well as support others. Feel free to extend this invitation to others who may also be interested.**

**We will do what we can to support you, and we are looking forward to spending an evening of fun and discovery with you!**
